INTRODUCTION

Sure, she is a loveable Shetland Sheepdog (Sheltie), but Chula Wula D'Augue has also become a prolific traveler and frequent visitor of France. Her first trip abroad was chronicled in the popular and fun family read [Dog Trots Globe—To Paris & Provence](#). On subsequent visits, Chula stayed in touch with her many friends and fans via special electronic postcards she created, called “Poochcards from Provence.” Each Poochcard featured a uniquely French sight along with Chula’s one-of-a-kind viewpoint. We’ve compiled the very best of these into this ebook that we hope you’ll enjoy!

POOCHCARD FROM PROVENCE

Bonjour!

I'm in Van Gogh's room at the St-Paul de Mausole monastery near St-Rémy, amazed that he created 150 paintings in the year he spent here!

—Chula

POOCHCARD FROM PROVENCE

Bonjour from Arles!

It's a windy day by the fountain where the heads of Hercules spit water, and the wind spreads it across the square. My nose got all wet!

—Chula

POOCHCARD FROM PROVENCE

Bonjour!

Here in Châteauneuf-du-Pape, the harvest is over, and the vineyards are starting to turn autumn colors like mine.

—Chula

POOCHCARD FROM PROVENCE

Bonjour from Saignon!

It's a dog's life in the hilltop villages of the Luberon. Where else can you sniff around a pretty square like this one and get a drink too?

—Chula

POOCHCARD FROM PROVENCE

Bon week-end!

It's a Sunday brocante.
You can get a sheep
bell, asparagus plates,
& more. I'm taking
the trike for 10 euros
'cause I'm hell on
wheels!

—Chula

POOCHCARD FROM PROVENCE

Bonjour!

It's a quiet Sunday here in Saint-Rémy, and I have the main square all to myself. Just me, the good sniffs, and the start of autumn leaves.

—Chula

POOCHCARD FROM PROVENCE

Bonjour!

Life under a bistro table in Provence? That's a dog's dream. The tidbits, the human-watching, my fellow chiens. Ah, today is a bon jour.

—Chula

POOCHCARD FROM PROVENCE

Bonjour from Uzès!

It's market day in the busy Place aux Herbes. Hang under a table and act like you're human watchin'. Something tasty will fall your way!

—Chula

POOHCARD FROM PROVENCE

Bonjour from Gordes!

Everything in this steep Luberon village is made of stone! Padding around can get you out of breath. I'm headed for my water bowl!

—Chula

POOCHCARD FROM PROVENCE

Bonjour!

Today I'm in Roussillon,
the site of old ochre
mines. All the buildings
must use one of
eight ochre colors.
With my sable tones,
I fit right in!

—Chula

POOCHCARD FROM PROVENCE

Bonjour from St-Rémy!

You can always make
a friend on the lively
streets where I live.
If only I could speak
French, I'd give this pup
some shopping tips!

—Chula

POOCHCARD FROM PROVENCE

Bonjour!

In the Les Baux valley,
we stopped to taste
olive oil. Yuck! We
canines are just gonna
sit outside and stare
until our humans finish.

—Chula

POOCHCARD FROM PROVENCE

Bonjour from St-Rémy!

Wish you were here at Wednesday's wonderful market! I like it when everyone crowds the olive table and I get to make a new friend.

—Chula

POOCHCARD FROM PROVENCE

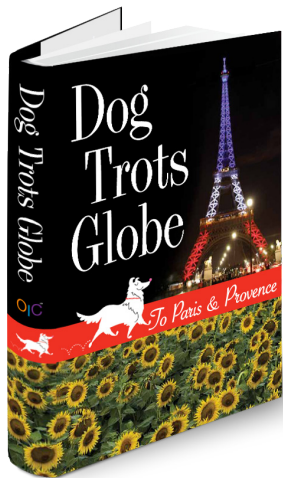

Au revoir!

It's back to California today, so I lingered over one last sniff in the village. Ah, now I'll always remember my Provence!
